

Getting to Faversham Rifle & Pistol Club Ranges

Drive to the end of the M2 and leave at Junction 7, do not go under the junction roundabout.

At the end of the off-slip road, take the 1st exit (turn left) on the roundabout and onto the A2 (London Road).

Travel along this road only about 300 yards or so, until you spot a Bus Stop on the left (on a dirt lay-by) and turn down the small road on the right (opposite the bus stop) and just before the first house on the right-hand side.

This is the track to the Range Complex and Clubhouse.

For those of you with SatNav facilities, the closest address is for the house at the entrance of the track -
